Dear Mr. Banks,

I have reviewed the Skeleton Creek Energy Center as proposed in the Skeleton Creek Solar Project Glint and Glare Analysis, and based on the information provided do not see the project to be an obstruction to operations at Enid Woodring Regional Airport.

If you have any further questions or concerns, please feel free to contact me at (580) 616-7386 or send an email to kcook@enid.org.

Sincerely,
