Thank you for your interest in the City of Enid Parks Dept. Tree Donation Program. What better tribute can one make than to present the community with a growing gift of nature which benefits so many and serves as a living reminder for years to come.

Trees donated to the City of Enid Parks Dept. are planted twice during the year. The deadline for spring planting requests is February 1st and the deadline for fall planting requests is August 1st.

An optional bronze plaque is available for an additional charge to commemorate a loved one, a group or an event.

We will be happy to assist you with your tree and site selection. You may choose from the list of parks in this brochure. Our staff will advise you of the exact location in the park.

thank you

The City of Enid Parks Dept. carefully maintains our tree inventory. We will take care of all watering, fertilizing and pruning. In the event something should happen to the tree, it will be replaced by the Parks Dept. at no cost to the donor.

If you prefer, you can make a general donation and not specify a tree or park location.

another option...

Another popular donation option is one or more benches, which can be combined into a seating area. A laser cutout with your inscription is mounted in the center of the bench. Benches are available to sponsor in a park agreed upon by you and the Parks Department. Contact us at 580-616-7310 for more details!

Bench donation with plaque.

Actual size, shape and dimension of insert may vary.

The memorial bench style will be chosen by the City of Enid Parks Dept. in order to maintain consistency throughout each park.

The City of Enid Parks Dept. will assist you in selecting a park and location for the bench.

Price - \$1250 includes installation and memorial insert. Benches require an eight to ten-week lead time from date of initial order to final installation.
