Underage Drinking in Garfield County:

- ❖ Underage and over age 21 volunteers still are being recruited for Alcohol Compliance Checks.
- ❖ Alcohol Compliance Checks have had to be postponed until I can walk.
- ❖ Data still is being collected and assessed. I have created a closed group on Facebook called “Data Counts – Underage Drinking in Garfield County, OK”. This will be a working group where we can share data, have discussion and vote. If you are a Facebook friend of PreventionWorkz or of me, Meri Hellerich Spurlock, you may click on the red solo cup icon to join the group.
- ❖ Thank You Card Program – stories.

Prescription Drug Abuse in Garfield County: (Target age 12 – 25)

- ❖ The first family/friends Naloxone/Narcan training was held on October 26, 2015 at the Enid Fire Department. It was a privilege to have Justin McAlister with the Enid Fire Department share about the Naloxone/Narcan and the lives saved as a result. He reported the Austin Box “12” Foundation gave them 16 kits. They had used nine of the kits and out of those nine kits; they had approximately four lives saved. Teresa Dunham with Integris provided a family/friends CPR, Sean Byrne with PreventionWorkz provided a training surrounding drug recognition including the signs and symptoms of opioid overdose. Gail Box and Dena Patterson tagged teamed in sharing the goals and dreams of the Naloxone/Narcan program, guidelines, partnerships and the administration of the Naloxone/Narcan.
- ❖ The Rx Workgroup met on October 26, 2015 to begin the planning process of the Picnic for Progress. The date has tentatively been set for May 14, 2016 pending availability of Champion Park and approval of the City of Enid. In addition, ideas surrounding data were discussed.
