BUDGET MESSAGE

It is my privilege to present the City of Enid budget for fiscal year 2016-2017. This budget continues to provide basic services, and maintains the quality standards our residents have come to expect. The overall budgeted expenditures are \$126,085,947 with \$126,236,468 in projected revenues. This balanced and strategic approach results in a spending plan that adapts to the changing needs of our community without compromising our financial future.

The main funding source of the general fund is sales tax, with projected revenues of \$41,619,175. We anticipate continued reduction in sales tax revenues due to economic conditions. As a result, we are budgeting for a 2.5% decrease from last year's projected sales tax number. The budgeted general fund expenditures of \$41,542,824 include transfers out to other funds of 61.52% or \$25,558,399. These transfers include a capital sales tax transfer to Enid Municipal Authority (EMA) of \$8,694,940, a school improvement sales tax of \$2,173,735, operating transfers to the police & fire departments of \$13,600,000 and operating transfers to other funds totaling \$1,089,724.

EMA has projected revenues of \$38,555,675 and planned expenditures of \$35,577,596. The main revenue source for EMA is utility revenues, which are projected equivalent to the previous year's budget. The financial plan for EMA reflects a surplus of \$2,978,079 in preparation to invest in much needed infrastructure improvements to secure a viable water resource for Enid residents into the foreseeable future.

The City will spend a total of \$10,541,875 on various capital improvements. The capital improvement plan includes \$5,845,500 on street & bridge improvements to include improvements at 66th Street, \$336,250 on trails & sidewalks, \$500,000 on park infrastructure with a Crosslin ballpark addition & trailhead at Government Springs South. Additional improvements will include \$696,875 on municipal infrastructure improvements, \$1,257,000 on sewer infrastructure to include a sanitary sewer master plan update, \$605,250 on storm water, \$899,000 on water infrastructure and \$402,000 on additional aircraft parking at Woodring Regional Airport.

The adopted budget includes a six month budget for both Meadowlake Golf Course & Enid Public Transportation Authority, with intent to analyze potential improved efficiencies within these funds. The City will continue to work to improve our efficiency and effectiveness with the intent of giving our residents full value for every dollar they invest with the City. We will also continually monitor both revenue and expenditures and make adjustments on both sides of the equation as necessary.

I am appreciative of our elected officials, management team, and city staff's dedication to continuous improvement while protecting the City's financial condition and resources. I am confident that the programs and investments included in this budget reflect the policies and direction of the City Council and provide the financial plan for a successful year.

Jerald R Gilbert City Manager

-------	----------------	-------	----------------	--

PROGRAM DESCRIPTION:

The City Manager is appointed by the Mayor and Board of Commissioners to direct the delivery of municipal services. The Administration department, led by the City Manager, is responsible for providing the City Commissioners with information and implementing Commission policies. This involves management decision making, providing basic administrative support, direction and guidance for all City departments, programs and projects. In addition, emergency management are functions of this department.

PROGRAM DESCRIPTION:

The Legal department includes the City Attorney's office and Municipal Court. It provides legal counsel for the Mayor and Board of Commissioners, the City's trusts, boards and commissions, prosecutes violations of City law and ensures that the City is properly represented in litigation. Adult dockets are held on Monday, Wednesday, Thursday and Friday, and Juvenile dockets are held on Thursdays. The Court Clerk's office handles the revenue collection, docketing and maintenance of all Municipal Court records. Risk Management is responsible for management and administration of the Workers' Compensation program as well as general liability claims in favor of and against the City. The ADA Coordinator is responsible for ensuring the City is compliant with all requirements of Title II of the Americans with Disabilities Act.

PROGRAM DESCRIPTION:

The Public Relations and Marketing department is responsible for providing public relations counsel to elected officials and city management for managing controversial, sensitive and priority issues. The department plans, directs, and implements the development and management of strategic corporate communications to keep the public, and media informed on the issues. This department also operates Enid Television Network (ETN) whose mission is to make Government, Education, and Entertainment programming more accessible to the citizens of Enid and the public in general. Our three broadcast channels will provide a broad range of government, educational and entertainment programming on a daily basis.

FUND:	GENERAL 10-200	DEPT:	General Government	

General Government assumes fiscal responsibility for functions not directly attributable to other departments. Examples are City organizational memberships, Commission expenditures, and election expenses.

This department funds the following:

- 1). Organizational dues of the City. These include Oklahoma Municipal League, and various program dues.
- 2). Program funding as follows:

Main Street Enid - \$75,000 4th of July Celebration - \$15,000 Community Support - \$40,000 Arts Commission - \$10,000 Youth Council - \$5,000

- 3). Miscellaneous expenditures such as elections, publications and refunds.
- 4). Liability insurance for the City.

FUND: GENERAL 10-210 DEPT: Accounting	
---------------------------------------	--

Accounting's primary functions are budget preparation and compliance, financial information recording and retrieval, monetary asset control and management, employee compensation delivery, and analytical studies of operations and utilities. The department prepares the annual budget and administers control over its subsequent execution. Accounting produces monthly and annual financial reports for internal and external users. Adherence to the Finance Procedure Manual, asset controls and reconciliation through accounting systems safeguard the City's monetary and non-monetary assets. The City's payroll, for approximately 500 employees, is administered by the Accounting department with emphasis on compliance with State and Federal regulations and consistent delivery of high quality service.

FUND:	GENERAL 10-900	DEPT:	Library

The Enid Public Library employs professionally trained and customer service oriented staff members to develop and maintain the library's collection, assist library users in locating desired information, promote literacy and reading, provide programming for all ages and guide Library users to the information available in online resources. The library's collection of approximately 68,000 cataloged items includes informational and recreational resources in print and non-print formats. The library is open 60 hours per week, serving approximately 10,000 visitors per month. The Library board provides advice about the services, programs and technologies needed to maintain a high level of library service for all residents.

-------	----	-------	--------	--

The City of Enid is self-funded for the employee health and dental insurance programs. Revenues are comprised of city contributions, employee premium deductions, retiree health premiums and COBRA payments. Expenditures include payment of claims, third party administration fees, stop loss coverage, life insurance premiums and costs of the employee wellness program.

FUND:	20	DEPT:	Airport

Woodring Regional Airport operations encompass services for the safe and orderly arrival and departure of aircraft to and from Enid. Aircraft utilizing the airport are served by two runways, one of which will accommodate a Boeing 737 type aircraft, as well as the taxiways paralleling the runways and leading to the terminal ramp and hangar storage areas. A Federal Air Traffic Control Tower is operated by RVA, Inc. The tower is staffed by four fully qualified FAA licensed air traffic controllers who control traffic and make hourly weather observations. The controllers recorded approximately 36,000 aircraft movements last calendar year.

FUND:	40	DEPT:	Capital Improvement

The Capital Improvement Fund provides for major capital repair and new construction projects in the City. This fund receives funding from State and Federal grants, transfers from Enid Municipal Authority and General Fund, OWRB loans, bond proceeds and interest earnings. Specific projects to be constructed with expenditures out of the Capital Improvement Fund can be found in the Capital Improvement Program located in the last few pages of this budget book.

FUND:	45	DEPT:	Capital Projects Escrow

This program receives funds for capital improvement needs and expends these funds at the time of contracting the needed improvement. Regulations require development sites to cover certain impacts on the public system. In the case where the developer's share is only a part of the improvement cost, and their share of the improvement can not be made at the time of development, the developer may pay a fee in lieu of construction. That fee is held in the Capital Projects Escrow Fund until sufficient resources become available to construct the improvement. The area principally covered by the program is the development fees used to make stormwater improvements as listed in the Stormwater Master Plan.

The Enid/Garfield County/Major County 911 Center answers all 911 emergency calls for Garfield and Major County. Operators dispatch emergency services and personnel to respond to all emergency situations. The 911 Center also answers all police department non-emergency calls within the City of Enid and dispatches all calls for the Enid Police Department, the Enid Fire Department and Animal Control.

The Mission Statement of the Enid Police Department is to build and maintain a cooperative relationship with the residents of the community, with Local, State, and Federal government entities, and other agencies. With these partnerships, we will continue to prevent and deter crime, to preserve the peace, to protect life and property, to apprehend criminals, to recover lost and stolen property, to respect and protect the Constitutional rights of individuals, and to enforce in a fair and impartial manner, the ordinances of the City of Enid, Oklahoma, the laws of the State of Oklahoma, and the laws of the United States of America.

FUND:	52	DEPT:	CIC	

The goals and objectives of the Community Intervention Center (CIC) are established through a cooperative and joint effort involving the Office of Juvenile Affairs, SAG and local communities. These goals and objectives are outcome based. The CIC provides a 24 hour, 7 day a week holding facility for juveniles arrested for any non-detention eligible offense. In establishing immediate consequences to juveniles exhibiting delinquent behavior, the CIC is the intake to the formal juvenile justice system. The CIC also provides appropriate services for coordination with law enforcement, municipal court, district court, juvenile bureaus and the Office of Juvenile Affairs. Juveniles processed through the center receive a brief assessment, which is used to provide referral information to parents to prevent further delinquent acts.

The Enid Event Center and Convention Hall (EECCH) are currently managed and operated by Global Spectrum. The renovated Convention Hall re-opened in November 2012 with the primary purposes of providing meeting space and promoting tourism in Enid. In addition to hosting conferences, seminars, corporate meetings and trade shows, Convention Hall is the venue for a wide variety of community events. Enid Event Center has been in operation since June 2013 with a seating capacity of up to 3,800 people for large events to include sporting events, trade shows and entertainment events.

TOTAL DEBT

FUND: 31 DEPT: EMA	
--------------------	--

The Enid Municipal Authority (EMA) was created as a mechanism for the City to issue long term debt to build public infrastructure. The funds of the EMA are restricted and can only be used pursuant to their stated purpose for which the funds were collected. In addition to this original purpose, the City is now accounting for all utility operations through EMA. EMA departments include Utility Services, Solid Waste Services, Public Utilities Management, Water Production, Water Reclamation Services and Wastewater Plant Management. There is also an operations department where sales tax, debt and transfers are accounted for and a capital replacement department.

FUND:	EMA 31-230	DEPT:	Utility Services
-------	------------	-------	------------------

The Utility Services department produces billing and maintains payment records for over 20,000 water, sewer, sewer improvement, stormwater and solid waste accounts. Additionally, billings are created for landfill charge accounts, bulk water sales, extra trash pick up and fire hydrant water usage as required. Another department function is to create and maintain accounts on the automatic payment plan and assist customers with our online payment tool.

FUND:	EMA 31-760	DEPT:	Solid Waste Services

The Solid Waste Services Department performs and manages the collection, disposal, storage, monitoring, and recycling of solid waste materials for the City of Enid by performing residential and commercial waste collections and by maintaining the City of Enid Landfill. Recycling within the City of Enid includes a residential drop-site which accepts standard recyclable materials. Yard waste, which is collected on Wednesdays during mowing season, is recycled into compost at the landfill. The landfill also operates recycling programs for used motor oil, antifreeze, and appliances.

FUND:	Water Production	
-------	------------------	--

The Water Production department is responsible for the maintenance and operation of the water collection system and treatment plants. The collection system includes approximately 120 producing water wells with 200 miles of collection lines, seven pump stations, two treatment plants and 23 million gallons of storage. The water is treated with chlorine and fluoride, tested, metered, and monitored to meet the requirements set by the State Department of Environmental Quality and the Federal Environmental Protection Agency. Treatment Plant #1 is located at 1500 W. Chestnut and delivers water to the east of Cleveland street. Treatment Plant #2 is located at 6001 W. Chestnut and delivers water to the west of Cleveland street. The department operates seven days a week to produce safe, potable water for residential, commercial and industrial customers.

--	-------	------------	-------	-----------------------

Wastewater Plant Management is responsible for treating the waste from all residential, commercial and industrial customers. This waste is treated to a level of fresh water standards before discharge into the receiving stream. It is our goal that the treated water will provide usable water to surrounding commercial entities in order for potable water to be used for drinking water rather than commercial use.

---------------------	--

PROGRAM DESCRIPTION:

Enid Economic Development Authority (EEDA) provides funding for economic development purposes, industrial recruitment, and assistance to new and expanding industry with relocation assistance and infrastructure development. The EEDA funds the Enid Regional Development Alliance which funds the industry and business growth initiatives. EEDA has helped fund economic growth over the past few years with tax incremental funding (TIF) incentives which include the 2005 Advance Foods and 2008 Roosevelt Park Apartments. EEDA also funds incentive agreements with Jumbo Foods, Enid Crossing, Enid Travel Plaza, Enid Investment Partners and Love's Travel Stops.

PROGRAM DESCRIPTION:

The Enid Public Transportation Authority (EPTA), also known as the Enid Transit, was established in 1984 as a Trust Authority of the City of Enid. It is governed by a Board of Trustees. EPTA was established and developed as a demand-response, shared-ride transportation system. The Enid Transit is open to the public and available to the disabled and senior citizens. The system operates seven minivans and nine vans all equipped with wheelchair lifts or ramps that meet ADA requirements. Service hours are from 6am to 7pm, Monday through Saturday.

2016-2017 BUDGETED STAFFING:

1. <u>VANCE AFB ENHANCEMENT (2016-2017)</u>:

This program consists of improvement projects in the City that enhance Vance Air Force Base (VAFB). The 2016-2017 enhancement program is based on the availability of State funding from the Oklahoma Department of Commerce through the Oklahoma Strategic Military Planning Commission (OSMPC). This year's funding will be used to continue supporting the Woodring Regional Airport apron project. This project provides a significant enhancement to VAFB by expanding the available aircraft parking on the additional apron outside the joint-use hangar.

EST. COST: \$180,000 Reimbursed by grant funds

2 APRON CONSTRUCTION OUTSIDE JOINT-USE HANGAR:

Construct parking apron in between the joint-use hangar and the terminal. This project will add a needed parking area near the terminal for military and civilian aircraft. When completed, it will accommodate up to 12 aircraft. Grant funding from FAA up to \$300,000 is anticipated.

EST. COST: \$222,000 Partially reimbursed by grant funds

1. LOCAL STREET PROGRAM 2016-2017:

This project will provide for the reconstruction of various local streets that have been identified through Public Works to be in poor condition. The work includes removal of old pavement and replacing with new full depth pavement including drive approaches and adjustment of drainage structures when required.

EST. COST: \$285,000

PROPERTY REPAIRS & MAINTENANCE, ACCOUNT NO. 30-305-9220

1 SIDEWALK REPAIR PARTNERSHIP PROGRAM:

This item sets up funding to participate with residents in repairing deteriorated sidewalks. The City's program allows for participation with 50% of the cost of sidewalk repairs upon application by fronting residential property owners.

EST. COST: \$25,000

2. <u>COMMERCIAL SIDEWALK REPAIR PARTNERSHIP PROGRAM</u>:

This items sets up funding to participate with commercial businesses in repairing deteriorated sidewalks or installing sidewalks where none existed, where applicable. The City's program allows for participation with 50% of the cost of sidewalk repairs, or sidewalk installation, upon application by fronting commercial businesses.

EST. COST: \$25,000

1 TRAIL IMPROVEMENT PHASE VII:

This project involves design and construction of a parking lot in Crosslin Park, just east of the trail crossing and north of Oxford Street. The parking will service the users of the trail and other facilities in the Park. The number of parking spots will be determined by construction costs.

EST. COST: \$30,000

2. GLENWOOD SAFE ROUTE TO SCHOOL:

This project will begin the design efforts to provide safe walking routes along West Chestnut Street, east of Glenwood School. The design will address the crossing of two flood plains, and will include the required hydrologic and hydraulic engineering analysis. The project is supported by an 80% grant match from the State of Oklahoma.

EST. COST: \$256,250 Partially reimbursed by grant funds

3. GOVERNMENT SPRINGS TRAILHEAD:

This project will include the design and construction of a trailhead in South Government Springs Park to include the development of restrooms and accessible parking. The project is supported by an 80% grant match from the State of Oklahoma.

EST. COST: \$200,000 Partially reimbursed by grant funds

1. TRAFFIC SIGNAL SYSTEM UPGRADES:

The project will include the acquisition and installation of traffic controller equipment, allowing improved management of traffic on Garriott Road west of Van Buren Street.

EST. COST: \$243,750

2. <u>LANDFILL COMMERCIAL SCALE ACCESS ROAD IMPROVEMENT:</u>

This improvement project consists of connecting the commercial scale to exiting the 10 " PC concrete approach road for the residential scale. The extent of construction will be determined by costs.

EST. COST: \$53,125

PROPERTY REPAIRS & MAINTENANCE, ACCOUNT NO. 40-405-9220

TOTAL PROJECT COST \$300,000 \$400,000 \$523,856

ADA COMPLIANCE:

This item will provide for completion of projects set out by Court Order and included in the ADA Transition Plan. Specific projects will be identified based on the ADA Access Board's recommendations and City Commission direction.

EST. COST: \$300,000

2 MUNICIPAL GOLF COURSE MAINTENANCE BUILDING REFURBISHMENT/REPLACEMENT:

The project will consist of determining and constructing the best solution to bring the deteriorated equipment maintenance building at the Municipal Golf Course up to standards. The facility will be evaluated for structural integrity, safety, usability and life cycle feasibility for selecting and construction building improvement to maintain safe and efficient operations of golf equipment.

EST. COST: \$100,000

RECONSTRUCTION & OVERLAYS, ACCOUNT NO. 40-405-9222

Prior Year 2016-2017 2017-2018

TOTAL PROJECT COST \$2,187,028 \$4,550,000 \$5,971,625

1. CLEVELAND AND CHESTNUT INTERSECTION TO 1/2 MILE NORTH, R/W AND UTILITIES RELOCATIONS:

The improvement of Cleveland Street from Chestnut Avenue to 1/2 mile north is the next listed City of Enid priority project in the ODOT Federal Aid to Local Routes Program. The scope of work under this line item includes the completion of utility relocations and right-of-way acquisition required for use of federal matching funds through the Oklahoma Department of Transportation (ODOT). The environmental study has been completed, and construction plans are 60%-90% complete with final plan submittal pending completion of right-of-way. OG&E and ONG are relocating their utilities and plans are in place for moving water lines to clear the construction area.

EST. COST: \$600,000

2. <u>CLEVELAND AND CHESTNUT INTERSECTION CONSTRUCTION:</u>

This project is part of the City's long-range plans to make use of state and federal funds for improving local routes. The funding item is set up to provide the local match funds to ODOT for the reconstruction and widening of this intersection. Final submission of plans to ODOT and project agreement will follow completion of right-of-way acquisition and utility relocations.

EST. COST: \$1,350,000

3. CRACK SEAL PROGRAM FOR SURFACE STREETS:

The work covers the cleaning and sealing of cracks that develop in the arterial street system due to weathering. Crack sealing promotes extending pavement life by limiting water intrusion in to the sub-base. The process extends the life of the pavement and provides for the best life cycle cost. The funding will cover approximately 10 lane miles.

EST. COST: \$100,000

4. RECONSTRUCT 66TH STREET TO INDUSTRIAL ACCESS ROAD STANDARD:

This road improvement project incorporates construction of an industrial access road pavement from U.S. 412 north to serve the industrial development along 66th street. The project will include a pavement thickness design based on anticipated truck traffic and a two-lane full depth street improvement. The planning includes incorporating ODOT Industrial Road Program funding, partnership opportunities and potential TIF funding.

EST. COST: \$2,500,000 Partially reimbursed by grant funds

BRIDGE CONSTRUCTION & RENOVATION, ACCOUNT NO. 40-405-9224

Prior Year	2016-2017	2017-2018
Cost	Appropriation	Estimate

TOTAL PROJECT COST \$300,000 \$1,010,500 \$2,942,500

1. BRIDGE DESIGN AT OKLAHOMA STREET AND NORTH BOGGY CREEK:

Design for replacement of the deteriorated box structure under Oklahoma Street at St. Mary's Hospital, including hydrologic and hydraulic analysis to meet Federal Emergency Management Agency requirements for a Flood Hazard Map amendment is included in the work. A design and map amendment will be prepared for replacing the aged structure with a new improvement that will serve access and potential flooding reduction.

EST. COST: \$310,500

2. RUPE AND BOGGY CREEK BRIDGE DECK REPLACEMENT:

This project will provide for the replacement of the bridge deck on Rupe Ave. at the crossing with Boggy Creek. The project was bid in 2015 and all bids were rejected. This project will fund the re-design and replacement of the decking utilizing GO Bond funds.

EST. COST: \$700,000

1. <u>CROSSLIN SOFTBALL/BASEBALL COMPLEX:</u>

This project is a multi-phase, multi-year program, to develop a four-flex softball complex including the required appropriate parking along with required amenities, with subsequent parking being budgeted in the following budget years. This first phase includes developing two softball fields with bleachers and required accessible parking.

EST. COST: \$300,000

1. SANITARY SEWER OVERFLOW IDENTIFICATION, REDUCTION & REMOVAL:

This program is now focused on identification and removal of all sources of backups. Tools, such as; TV inspection, smoke testing and flow monitoring, will be used to identify sources of possible backups and where pipe repairs are needed. The program also provides a means to address emergency sewer repair without going to a more costly emergency purchase procedure.

EST. COST: \$750,000

2 SANITARY SEWER ROOT CONTROL:

Root intrusion into sanitary sewer lines is a continual problem and requires continually corrective actions. A contract for root control is programmed every other year to limit backups caused by roots.

EST. COST: \$125,000

3. <u>SANITARY SEWER MASTER PLAN UPDATE:</u>

Development across the City is having an impact of the Sanitary Sewer capacity. This item will update the system's capacity based on new flow data and the updated comprehensive plan. Result of the modeling will be instrumental in managing and improving infrastructure to meet the demands of future developments.

EST. COST: \$207,000

3. <u>DIGESTER AERATION SYSTEM IMPROVEMENT:</u>

The City of Enid's high quality wastewater treatment is accomplished by use of a new 12 million gallon a day liquid treatment system supported by the existing 10 million gallon a day solids handling system at the older treatment plant site. This project consists of replacing two of the four digester's air supply systems at the old plant site. Included in the work is the removal and replacement of three 125 hp motors and blowers that supply treatment air to the south two digesters.

EST. COST: \$175,000

TOTAL PROJECT COST \$732,614 \$605,250 \$1,575,349

1 STORMWATER MASTER PLAN UPDATE:

The stormwater master plan has been developed by basins over a number of years and covers the main areas of development in Boggy Creek, North Boggy Creek, Quail Creek and West Boggy Creek. This program would expand the master plan to include the Skeleton Creek basin. The work would develop the hydrologic and hydraulic analysis of the basin and establish a plan for controlling flooding and managing development in this industrial zoned area.

EST. COST: \$50,000

2. <u>NORTH BOGGY CREEK CHANNEL DESIGN:</u>

Design and preparation of a flood hazard map amend for improving the North Boggy Creek channel from Owen K. Garriott Road to Oklahoma Street is covered by this item. The work would allow for establishing the cost, criteria and design for improving the channel and amending the flood hazard area. This is one of the first steps in pursuing improvements as recommended in the North Boggy Creek Master Drainage Plan.

EST. COST: \$80,250

3. <u>WALLER DETENTION R/W ACQUISITION:</u>

The scope is the acquisition of property or easements for the future construction of a stormwater detention facility along the drainage basin north of Waller School. This is one of the eleven original planned stormwater detention facilities to provide flood protection. The plan calls for working with the Enid Public School system to acquire rights to develop the Waller School open area as a joint use facility for school activities and stormwater detention.

EST. COST: \$275,000

4. <u>DESIGN OF BOX CULVERT REPLACEMENT AT BROADWAY AND LAKEVIEW DRIVE:</u>

This program includes the design for repairing or replacing the deteriorated storm water box structure under Broadway Street at Lakeview Drive. Recent inspection has uncovered deteriorations in the concrete structure and undermining of the box. The work will include soil cores to determine base stability, design of new structure, and flow modeling for flood plan encroachment permit.

EST. COST: \$50,000

4. CHEROKEE DETENTION PROPERTY ACQUISITION:

This project will allow the completion of the acquisition of the property necessary for the future full construction of stormwater detention facility in the area of Cherokee Street and West Brow Street. The first phases of the facility have been constructed at the end of West Brow Street at about the 4600 block of West Garriott. This item will allow for the acquisition of the vacant property, located behind the new Academy Sports site on West Garriott for full build out of the flood control structure.

EST. COST: \$150,000

TOTAL PROJECT COST	\$0	\$60,000	\$6,000,000

WATER VALVE REPLACEMENT/ALIGNMENT PROGRAM:

The work provides for replacing or re-alignment of inoperable valves with the associated pavement repair. The valve inspection program has identified about 40 valves for replacement or realignment.

EST. COST: \$35,000

WATER MAIN REPLACEMENT PILOT PROGRAM: 2.

This project is a pilot project to replace the older waterline mains by use of city forces. The work will cover the replacement of up to 3 blocks of 12" waterline on 8th Street between Broadway Ave. and Elm Street. Upon completion of this pilot project the value gained will be assessed with the consideration of future replacement projects by city forces.

EST. COST: \$25,000

	Prior Year	2016-2017	2017-2018
	Cost	Appropriation	Estimate
TOTAL PROJECT COST	\$1,230,000	\$839,000	\$28,154,000

WATER MAIN REPLACEMENT PROGRAM DOWNTOWN:

As an incentive to encourage the development in the downtown area, a cost sharing program has been established to promote the re-development of downtown spaces by assisting in improving water distribution systems for fire protection. This program sets up funds to partner with private owners on making connection and extension of fire line.

EST. COST: \$100,000

WELL FIELD IMPROVEMENTS:

This is an annual program to replace and upgrade the well field infrastructure to maintain the quality and quantity of water supply. As water wells degrade over time, this program was established to re-drill or replace wells as needed. This year's project is set up to complete the replacement of 2 wells and the required appurtenances.

EST. COST: \$600,000

REHABILITATION OF 30" SUPPLY LINE, WATER PLANT NO. 1: 3.

The Water Plant No. 1 30-inch supply line was installed in the 1950's. The chlorine injection piping has reached it's service life and has the potential for catastrophic failure. This line transports raw water from Ames and Drummond well field to Water treatment plant No.1. The project consists of providing a structural strength encasement of a 25 foot line segment in the below grade portion of the plant where the line is exposed. This section of pipe also serves as an injection point of treatment elements.

EST. COST: \$99,000

WELL HOUSE AND PUMP STATION DEMOLITION:

This project involves demolition of three existing, dilapidated well houses, and one pump station in the Enid and Drummond well fields. This work is being done in compliance with State requirement to close abandoned wells.

EST. COST: \$40,000
